

Fynsk Sprint Cup 2019

An event in the Danish Sprint Cup 2019

18 - 19 May 2019 in Odense

4 stages in the middle of Odense, H.C. Andersen's town

The Fynsk Sprint Cup consists of 4 stages in all:
2 stages on Saturday 18 May,
2 stages on Sunday 19 May.

*The final stage will have a **chasing start** based on the 3 previous stages.*

WOC 2020

Maps and courses are relevant preparation for WOC 2020.

Race area and map

All 4 stages will take place in Odense City.

The terrain consists of older city buildings, with no significant height differences in the terrain. It includes the home of the great author H.C.Andersen, shopping streets and living areas with exiting backyards.

Newly drawn map, scale 1:4,000, contour interval 2.5 m, drawn to IOF norms by GT Maps, map-maker for WOC 2020.

From the morning of Saturday 18 May, the city centre of Odense is embargoed area for competitors and team members.

Final race details

Will be found on the website www.fynksprintcup.dk at the beginning of May.

Start

First start Saturday 12.00

First start Sunday 10.00

Individual start with put'n run.

Elite classes (W/M-20 and W/M21) will have individual start with start lists (1 minute interval).

Control system

Sport-Ident will be used.

Own SI-number to be given when entering.

Rental of an SI-brick can be booked when entering, under 'Remarks'.

Entries not including a brick number will be allocated a rental brick.

Rented SI-bricks will be issued at the Event Office before the first stage and must be returned after the final stage.

Assembly area

Odense central area, on both days. The exact location will be given in the Final Details.
The Event Office will be sited in the Assembly Area and will be open 1 hour before the start.
